COLORES Línea Acapulco

PVC CORD COLORS

Made with a percentage of recycled material, and with added UV protection, this highly resistant material is great for outdoors and guaranteed to last. Because of its flexibility, it will never lose form or break under the sun.

- Calidad de exportación
- Pintura electrostática para exterior
- PVC con protección UV
- Piel de calidad para confort y duración
- Algodón fuerte y suave
- Plama fuerte y bella

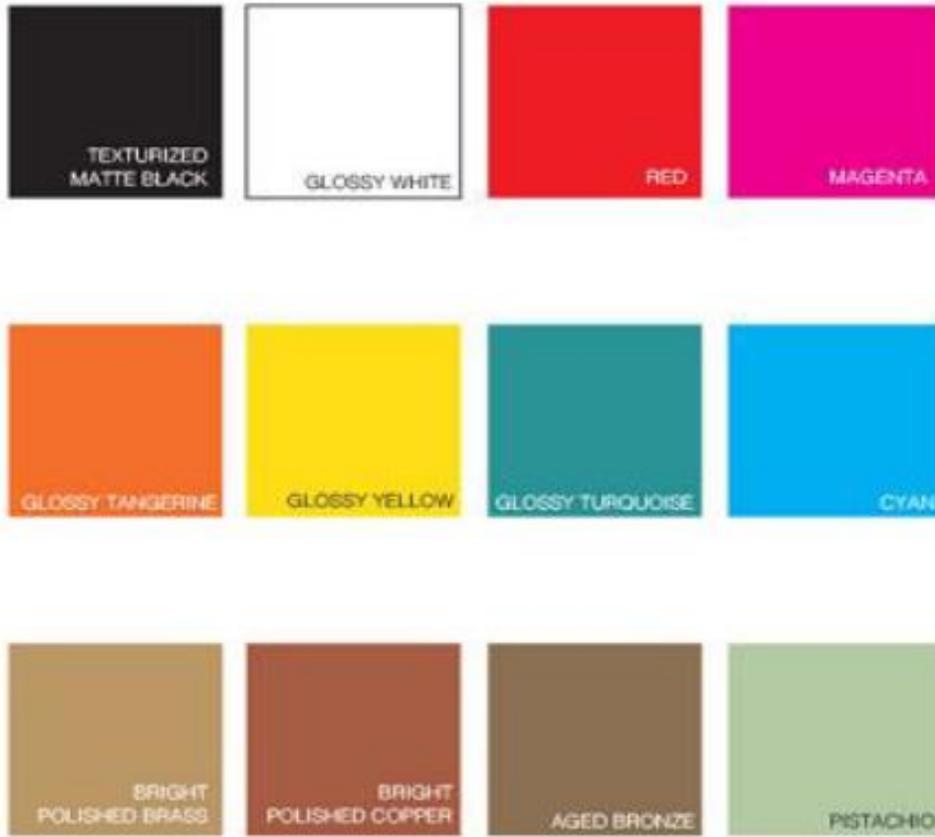

COLORES Línea Acapulco

STEEL FRAMES

Using this highly durable material, each piece is carefully built by certified welders, and finished with electrostatic polyester powder coating, making it suitable for outdoors.

FINISH OPTIONS

WOOD

We use local certified wood, beautifully crafted to achieve pieces fully pleasing to the eye and feel.

COTTON ROPE

Mexican cotton, soft and strong, stylish and homely.

LEATHER

Cut into strips, with just the right thickness to optimize comfort and durability.

PALM FIBER

Obtained from local rainforests, this earthy material brings endurance and beauty with its simplicity.
